The Family Fund

Mission Statement

FID provides training, coaching, mentoring, counseling, advocacy, mediation, intervention, classes and workshops to youth, individuals and families who are at-risk to personal and family crisis, academic failure, homelessness and incarceration.

We provide the tools, strategies, resources and support needed to overcome barriers, increase family reunification, achieve self-sufficiency, reduce homelessness, and to reduce recidivism.

- ***Strategy will empower our organization to solve current and future financial needs***
- ***Strategy will empower us to fund programs and outreaches***
- ***Strategy will empower us to address a broader range of socio-economic needs***
- ***Strategy will empower us to educate, serve and impact our community***

Our strategy creates stabilization, sustainability and momentum

- ***Insurance Agency was launched in 2015 / Call Center was launched in January 2016***
- ***We will follow proven and successful business models***
- ***We will create jobs and opportunities for the underserved in multiple communities***

Breakthrough

Unlike other charities that turn your \$1 contribution into 20 cents in the field, we turn your \$1 contribution into \$10!

We aim to build a sustainability model verses a “consumption” based model which will provide us with the financial resources needed to fulfill our mission

Utilizing Seed Capital to build Sustainability Resource Centers (SRC's)

- **Insurance Agency / Call Center / Educational Training / Retail Center / Business School**

Revenues generated from our SRC's fund high quality programs that help people in need receive valuable services and resources:

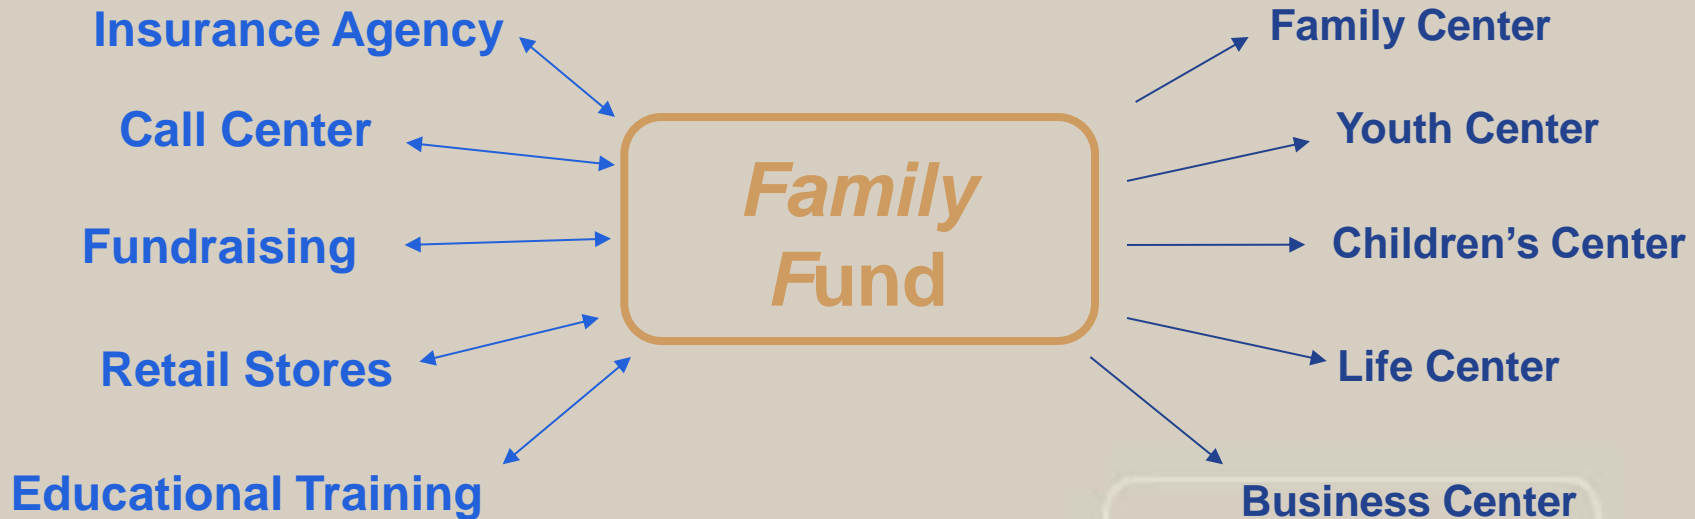

- **Education, Coaching, Mentoring, Counseling and Support**
- **Life and Career Development Training, Parenting Skills**
- **Personal Development, Empowerment and Life Transformation**

Your contributions produce maximum returns

How the *Family* fund works

Each Sustainability Resource Center (SRC's) is designed to generate positive cash flow each month.

For Example:

- Sales Revenue = \$15K
- Operating Expenses = \$5K
- Net = \$10K
- X 12 Months = \$120K Annually per SRC

Multiple SRC's = Multiple Opportunities to Fund and Sustain Organization

A smarter approach
